Harrow's Local Offer

Your guide to services

Our new website has details of Harrow's health, education, social care and leisure services and support for children and young people with special educational needs and those who are disabled.

Called the "Local Offer", it provides:

- One place to find information about the support available
- Details about how to access services
- Clear and easy to understand information

Find it at www.harrow.gov.uk/localoffer

We are continuing to develop the Local Offer with parents, carers, children and young people, to make our services easier to find and understand.
